

## San Diego Loyal Charity Footgolf Classic

**How to Play:** The game of Footgolf is played from the teeing zone with each player aiming for the hole on the green zone in the fewest number of kicks. The Ball must be played in a single motion. Touching the Ball with the bottom of your foot is not allowed at any time.

**Equipment:** Each member of your team must have a size 5 soccer ball, Soccer Flats, Running Shoes or Sneakers, NO CLEATS ALLOWED ON COURSE.

**Scramble Format:** A Scramble format means that all players kick from the same location for each shot, choosing the best shot of the group until one team member makes it into the hole. A single score is then recorded for the whole team. All holes are Par 3, 4, or 5.
